MATTERS ARISING

Bob Hare chaired the meeting in the absence of the Chairman and Secretary. It was agreed that the minutes of the previous meeting of 5th June 2019 are a true and accurate record. Proposed by JS, seconded by SR.

A point was raised by BH in absence the of FH, in respect of the previous venue the meetings were held at, being St Vincent's social club, Queens Road, Hull. It was discussed at the previous meeting that there has been a lack of communication with the proprietor. PW was to write to the proprietor, to give an explanation as to why the move took place. FH asks why this, to date, has not been done and this matter was not previously minuted, having been raised and discussed. It would appear, that nothing has been said to the proprietor and all our equipment is still being housed there. It was agreed that this needs to be addressed with some urgency.
